## Empower Your Grandkids with Greenlight!

If you're 55 or older, you've seen how technology changes everything—including how we teach kids about money. Only 35 states require a personal finance course for students, and teens score an average of 64% on the National Financial Literacy Test, showing a clear gap in financial education that is accessible and effective.

One application making waves is Greenlight, a banking and financial education tool designed for families. Whether you're a parent or a grandparent, Greenlight helps you guide the next generation toward smart money habits.

### What Is Greenlight?

Greenlight is a debit card for kids, managed by adults, that works hand-in-hand with the FSCB Digital Banking platform. Just set up a Greenlight account on our digital banking platform, transfer money, and monitor spending—all from your phone. Kids get their own debit card, and you control how much they can spend and where. It's safe, secure, and easy to use.

### Why Grandparents Love It

**Teach Financial Skills Early:** Help grandkids learn budgeting, saving, and even investing in a fun, interactive way.

**Send Allowance or Gifts Instantly:** No more mailing checks—transfer money with a tap for birthdays or rewards.

**Set Spending Controls:** Worried about overspending? Set limits and approve purchases for peace of mind.

**Stay Connected:** Even if you live far away, Greenlight keeps you involved in their financial journey.

Using Greenlight, parents and grandparents can send money instantly, automate allowance payments, manage chores, set flexible spending controls, get real-time notifications of all transactions, and more. Kids get hands-on money management experience, along with access to Greenlight Level Up™, an in-app financial literacy game with a best-in-class curriculum, educational challenges, and rewards.

**Bottom Line:** Greenlight is more than a debit card—it's a teaching tool that grows with them. Greenlight makes it easy for grandparents to play an active role in teaching financial responsibility. It's simple, secure, and a great way to stay connected while helping grandkids build lifelong money skills.

# Chasing Horizons: A Festive Adventure Down the Rhine

By Jill Fletcher  
jfletcher@fscb.com

After a marathon of flights from St. Louis to Zurich, our journey finally landed 43 Horizons Club travelers in Basel, Switzerland—exhausted but excited for the adventure ahead. With our bags stashed in the hotel, we wasted no time and headed out for our first Christmas market. We were swept into a sea of people lining the street, just in time for a parade of Santas cruising on Harleys! The holiday spirit was in full throttle, and we dove headfirst into the bustling

markets, shopping for trinkets and hunting down a tent serving delicious food and drinks. Each market featured its own festive mug, stamped with the town and year—a collector's dream! (I came home with eight designs from different cities!) We sipped hot coffee from our mugs, devoured cheesy quiches, and meandered through the stalls. We later arrived back at the hotel, ready to collapse into bed.

The next day, the real adventure began as we boarded the Emerald Sky in Huningue, France just before noon. We would spend the next seven days with only 180 passengers on board. A cozy lunch in the lounge kept spirits high while we waited for our rooms. Rainy weather kept us ship-bound for the day, but dinner was a treat—a

chef's salad, tender veal with carrots and potatoes, and cream puffs to top it off. As the ship set sail, we watched the locks glide by, close enough to touch from our window. Tomorrow: Germany!

A hearty continental

breakfast fueled us for a morning in Freiburg, Germany, nestled on the edge of the Black Forest. Winding through cobblestone streets and gothic churches, the Christmas markets beckoned with booths bursting with handcrafted toys, ornaments, fresh flowers, and tasty treats. We then journeyed to Breisach, taking in sights such as the Stephansmünster church and the Franciscan Monastery.

Cuckoo clocks and German souvenirs found their way into our shopping bags, and after a delicious dinner, we played Name That Tune.

Strasbourg, France, quickly became a favorite port. A guided tour of the old town—complete with the stunning Notre Dame Cathedral—set the tone for a magical day. Shopping at

lively Christmas markets, lunching at La Corde à Linge, and sipping Crème Brûlée coffee made for perfect holiday memories. After a day's wanderings, we dashed back for the ship's port talk and dinner, where I tried duck for the first time (and liked it!). Evening entertainment? A duo playing dozens of cow bells—surprisingly delightful!

We spent the morning exploring Heidelberg, Germany, including its majestic castle ruins. The rain pushed us into a café for coffee and apple strudel, and soon we were sailing on to Rüdesheim. Dinner was followed by a whimsical mini train ride through town for a group of us, ending at a pub where Rüdesheimer coffee and lively local music rounded out the day.

Anticipation was high for our cruise along the Rhine's famed stretch with 17 castles, but a thick fog kept some hidden from view. Docking in Koblenz, we grabbed our Christmas mugs from the markets and returned to the ship for lunch. Visiting the ancient Marksburg Castle, untouched since the 1200s, was a highlight. Evening crowds filled the markets, so we escaped to the ship for dinner and a concert

# Building Connections and Community at FSCB

## Horizons Director Spotlight on Tracy Limmer!

Tracy Limmer rides Clover while on vacation in Yellowstone National Park.

**“ I genuinely love interacting with and helping people. One of my favorite duties is organizing the Horizons Club seminars, as it’s rewarding to raise awareness on topics relevant to our banking customers. Assisting them in making informed decisions brings me great satisfaction.”**

**-Tracy Limmer**

Meet Tracy Limmer.

Tracy Limmer has been an integral part of FSCB Rolla for just over a year as a Community Banker II, though the title only scratches the surface of Tracy’s contributions. A longtime FSCB customer since the Rolla branch first opened, Tracy now plays a key role in fostering community engagement and driving impactful initiatives.

At the Rolla branch, Tracy leads the Impact Project, collaborating closely with the Richland branch to implement and develop meaningful programs. Tracy also manages the branch’s Community Reinvestment Act (CRA) activity, ensuring FSCB

not only meets but strives to exceed its community credit goals. These responsibilities reflect Tracy’s passion for making a difference locally.

When asked about favorite aspects of the role, Tracy finds it hard to choose—helping people is at the heart of everything. One highlight is organizing Horizons Club activities, which provide customers with valuable insights to make informed financial decisions. Tracy also enjoys representing FSCB through active involvement in the Rolla Chamber of Commerce, the Rolla Lions Club, and serving on the PCIS Board, bridging knowledge gaps and strengthening community ties.

Outside of work, Tracy treasures time with family—husband Tim, son Jakob, and extended relatives in Cape Girardeau and St. Louis. Tracy’s hobbies revolve around farm life, where she’s fully embraced the joy of being a farmer. She is passionate about gardening, with several flower beds to tend. She loves hopping on the tractor to cut the hay fields and relishes the chance to go bass fishing

with her son, Jake.

The Limmers share the farm with four beloved pets: dogs Bear, Hampton, and Chewbacca, and Lucky the cat.

Creativity also plays a big role in Tracy’s life, whether styling hair with a cosmetology license or partnering with Vernon Company clients on marketing strategies and promotional items. Travel holds a special place in Tracy’s heart, especially a memorable trip to London, England, where historic landmarks like Westminster Abbey and the Tower Bridge, countryside train rides, and authentic pub fare created unforgettable experiences. Tracy highly recommends adding England to your bucket list!

Looking ahead, Tracy is excited to expand responsibilities within FSCB and explore new opportunities with the Horizons Club, continuing a journey rooted in community, connection, and service.

*Tracy Limmer enjoys life on the farm with trout fishing as a hobby.*

## A Festive Adventure Down the Rhine (cont. from pg. 2)

by a local violinist—a lovely end to the day.

Cologne wowed us with its awe-inspiring cathedral (600 years in the making!) and restored Romanesque churches. The Christmas markets were a festive feast for the senses. After lunch aboard the ship, we set off for Amsterdam.

Our last day began with a canal cruise, admiring the iconic Dutch houses—narrow, tall, and deep thanks to quirky 16th-century tax laws! The canals, lined with houseboats and crossed by over 1,200 bridges, were a sight to behold. An afternoon “Hidden Gems” tour revealed a secret Catholic church tucked into the attic of a 1663 home, a clever solution during a time of religious prohibition. We ended the day in a cozy pub, sipping hot chocolate and sampling local

bites before packing our souvenirs (and mugs!) and bidding farewell to our fellow travelers.

Our journey down the Rhine was an unforgettable blend of holiday magic, history, and adventure. From Santas on Harleys to castles shrouded in fog, every day brought new discoveries and memories!
